Enjoy Fresh, Delicious, Aromatic Coffee at Home

5 Aromatic Coffees

Deliver perfect in - cup results with no hassle and in no time.

Creamcino

Mixes milk at high speed, for a creamy layer of milk froth.

EZ Clean+

Inhibits bacterial growth in the cake by UV lights.

Washable in Dishwasher

Designed with removable parts that are dishwasher safe.

High-Performance Thermoblock

Supplies stable and consistent high-pressure hot water for making improved quality coffee at home.

1.7L Automatic Refill Water Tank

Easy to maintain with a Detachable 1.7L large-capacity water tank. Automatically filled with water by the auto-level sensor.

Customable Drink Options(Ice Americano)

Maximize the flavor of coffee by supplying basic temperature water after extracting espresso. (Ice Americano)

User-Customized Bean Amount Control

Adjusts the amount of coffee beans to upgrade the taste and flavor.

User Friendly Touch Screen

Customize your fresh-bean flavor in a few steps with this user-friendly interface.

User-Customized Grinding System

Enjoy coffee with the desired flavor by adjusting the size of the beans to suit your taste.

Built-in Ceramic Burr Grinder

Treat yourself to always freshly ground espresso. By adjusting the size of the coffee beans according to the user's taste, it is ground evenly to bring out the rich taste and aroma.
